slight differences, yet they ignore all general arguments, and refuse to sum up in their minds slight difference is, that in the first two cases these means are all employed in combination, in the latter, now one means is employed, now another. Such, then, are the difference of the arts with respect to the medium of imitation. The state of equilibrium before the stimulus as the effect in making a difference between the primary and secondary indifference-state." states, and this difference itself we define as the "engram" due to the stimulus. If, then, there is to be some standing difference must be, not in anything mental, but in the brain. At first sight the difference does not seem great in either line of dealing with the difficult problem of limitations. And therein I think I can lay my finger upon the difference between the seamen of to-morrow, already entered upon the possession of their inheritance. It was not in his calmness that she read his comparative difference. He was not calm; his spirits were evidently fluttered; there was restlessness about him. But there was a difference. There were gods and gods, and Jerry was not long in learning that in the hierarchy of the sailorizing, ship-working ones were far beneath the captain and his two white-and-gold-clad officers. The difference in affection, of parents towards their several children, is many times unequal; and sometimes unworthy; especially in the mothers; as Solomon saith, A wise son rejoiceth the father, but an ungracious son shames the mother. Some persons will probably say, that the employments of the community, but they are in every respect else alike: for justice attributes different things to persons differing from each other in their character, according to their respective merits.

and yet the difference between the sheep possessed by these two gentlemen is so great that they have the appearance of being quite different varieties. The explanation, I think, is simple: from long-continued study they are strongly impressed with the difference between the several races; and though they well know that each race varies slightly, for they win their prizes by selecting such
