Details required Steps to download train ticket PDF Let's see each of these points in detail. You need the username and password of your IRCTC account through which you have booked the ticket. In case you have forgotten it, you can easily reset your IRCTC password online. - ADVERTISEMENT - - ADVERTISEMENT END - To download a train ticket online via IRCTC, The 'Login' option on the IRCTC website First, go to the official website of IRCTC at irctc.co.in Next, click on the 'Login' option at the top of the page. Next, enter your user ID and password. Next, enter the captcha code and click on the 'Sign In' button. (Direct link to homepage) The 'Booked Ticket History' option on IRCTC website On the new page, go to the 'My Account' option. Next, click on the 'My Transactions' option. Next, click on the 'Booked Ticket History' option from the drop-down. A new page will open up. - ADVERTISEMENT - - ADVERTISEMENT END - A list of all the tickets you have recently booked online will be displayed. Now, select the ticket you want to download by clicking on it. The details of the ticket, along with many options will be displayed. From the list of options, click on the 'Print e-ticket' option. Next, save it as PDF to download your ticket. You can also take a printout for future use. By following these steps, you can easily download a PDF of your train ticket online through the IRCTC portal. You can also follow similar steps to cancel a train ticket online through IRCTC. One of the most difficult tasks is to book a train ticket. It is the first step when it comes to planning a trip. Once you've secured your train ticket, the next crucial step is downloading it for easy access during travel. Your Passenger Name Record (PNR) number is key to this process. Here's how you can download your train ticket using the PNR number through various methods. There are multiple ways to download train tickets with PNR. Using IRCTC WebsiteOne of the most convenient ways to download train tickets is through the official IRCTC website. Step 1: Visit the IRCTC website and log in with your credentials.Step 2: Navigate to the "Booked Ticket History" section under the "My Account" tab.Step 3: Locate the ticket using your PNR number and click on the download option.Step 4: Your ticket will be available as a PDF, which you can save to your device or print.This method is particularly useful if you are planning to board your train from major stations like Secunderabad railway station. If you're unfamiliar with the area, you might ask, "Where is Secunderabad Railway Station?" It is located in the city of Secunderabad, Telangana, and serves as a major hub for rail transport in the region.Learn More- Tips to Book Confirm Tatkal Ticket on IRCTCUsing IRCTC Mobile AppThe IRCTC mobile app provides an even more convenient way to download your train ticket. Here's the process:Step 1: Download and install the IRCTC app from the Google Play Store or Apple App Store.Step 2: Log in with your IRCTC credentials.Step 3: Tap on the "Booked Tickets" option on the home screen.Step 4: Select the ticket associated with your PNR and click on "View Ticket."Step 5: You can now download or share the ticket directly from the app.This method is perfect when you're on the go and need quick access to your ticket, especially if you're catching a train at Sikandrabad Station. The Sikandrabad Station Code is SC, an important detail when planning your journey.Quick Access with SMSFor those who prefer a quick and paperless option, Indian Railways sends an SMS to 139 with your registered mobile number after booking. This SMS contains the PNR and ticket details, which can be shown to the TTE (Traveling Ticket Examiner) as a valid ticket.If you ever wonder, "How to reach Secunderabad?" the station is well-connected by local buses, autos, and metro services, making it easily accessible for travelers.Third-Party WebsitesSeveral third-party websites allow you to check your PNR status and download tickets. Websites like Cleartrip, MakeMyTrip, and Paytm are popular options:Step 1: Log in to the third-party website where you booked your ticket.Step 2: Go to the "My Bookings" section.Step 3: Enter your PNR number and search for your ticket.Step 4: Download the ticket as a PDF or view it directly on the site.These platforms often provide additional features such as reminders and notifications for your journey, which can be helpful if you're catching a train at a busy station like Secunderabad.From Reservation CountersFor travelers who prefer traditional methods or face issues with digital platforms, reservation counters at railway stations can also print your ticket. Simply visit the counter and provide your PNR number. The staff will print the ticket for you.This method might be more suitable for those already at the station, such as Secunderabad Railway Station, who prefer a physical copy of their ticket.ConclusionDownloading your train ticket using your PNR number is a simple process with multiple options to suit your needs. Whether you're tech-savvy and prefer using the IRCTC app or website, or you opt for a quick SMS on 139 or third-party service, you'll have your ticket ready in no time. And if you're catching your train from Secunderabad Railway Station, knowing the Sikandrabad Station Code (SC) and how to reach Secunderabad will make your journey smoother. InstaPDF » General » Train Ticket Train Ticket PDF can be downloaded from the official website of IRCTC by following some simple steps. All the booked tickets will be displayed here. So select the ticket which is to be downloaded.STEP 4: Now click on "Print e-ticket" and then click on "Print".STEP 5: Your ticket will be displayed on a screen in print preview format. Change in a destination setting to "Microsoft Print to PDF" or "Save as PDF".STEP 6: After you click "Print", choose the location such as your downloads folder, desktop, or wherever you wish to download the train ticket PDF.After your train ticket PDF is downloaded, you can use it during your journey while routine checking by TTE. You can also take its printout, but that is not necessary.Train Ticket DetailsAfter booking your train ticket or downloading the PDF of the train ticket you can check or reconfirm the following details in case you have made any mistakes while booking.Date of JourneyPassenger Details - Name, Age, Sex, Birth PreferenceTicket Details - Train Number, Date of Journey, Origin/Source Station, Destination Station, Boarding Station, Class, Berth, QuotaFare, Transaction Type, and Payment DetailsThe first 3 digits tell us from which Passenger Reservation System or PRS the ticket has been booked.The first digit depends on the Zone of the Train, w.r.t. starting station of the train.Zonal Codes - 1 (SCR Secunderabad PRS); 2, 3 (NR, NCR, NWR, NER New Delhi PRS); 4, 5 (SR, SWR, SCR Chennai PRS); 6, 7 (NFR, ECR, ER, ECoR, SER, SECR Calcutta PRS); 8, 9 (CR, WCR, WR Mumbai PRS)The last seven digits are randomly generated numbers using the Rand() function. These numbers represent no information about the ticket or journey as such. They only provide a unique identity to the PNR number.If you have made any mistake, you can simply cancel the ticket and book a new one with the correct details.Train Ticket Booking from the Ticket CounterHere are the steps you need to follow to get a train ticket from the Indian Railways booking counter:For booking a train ticket through the Indian Railways booking counter, you have to visit the nearest railway station and ask for the reservation form.Fill in the passenger details (Like Name/s, age, gender, berth preference)Once you are done with the form return it to the booking counter with the paymentAnd you will get your tickets with the unique PNR number!Train Ticket Booking DocumentsAny of the following documents are required in order to book a train ticket.Aadhar card.Voter Photo identity card.Passport.Driving License.PAN Card.The central/state government issued Photo Identity cards.Student Identity Card with a photograph.Nationalized Bank Pass Book with photographs.Photo identity cards having serial numberHow to check PNR status with SMS?Along with checking your PNR status online through the Trainman app, you can also check your PNR status online through mobile SMS.PNR status checks for railway reservation using SMS/phone: SMS PNR and send to "139" Format: PNR or call 139 and follow the steps.PNR Status Inquiry at railway station countersFinal reservation charts (made live 1 hour before the train departure)Here's an exampleSMS Number 139Text Message PNR 10-Digit-PNR-NumberExample PNR 1234567890Explanation Send SMS to number 139 with text as PNR 1234567890PNR Status Check for Railway TicketYou can check the PNR status check from this link by entering the PNR number and then clicking on submit button.PNR Status Confirmation Of Wait-list TicketsGNWL (General Waiting List) - Highest confirmation chancesTOWL (Tatkal Waiting List) - GNWL tickets are preferred over Tatkal tickets hence TOWL Confirmation chances are low compared to GNWLRLWL (Remote Location Waiting List) - Less chances of confirmationPQWL (Pooled Quota Waiting List) - Less chances of confirmation, quota shared between several stationsRLGN (Remote Location General Waiting List) - Less chances of confirmation, when user books ticket under RLWLRLQWL (Request Waiting List) - Less chances of confirmationRSWL (Roadside Station Waiting List) - Less chances of confirmationTrain Ticket Cancellation Charges-Tickets can be cancelled on Internet at this website till Chart preparation of the train .Cancellations are not allowed at face to face Railway Counters. If the user wishes to cancel his e-Ticket, he can do so till the time of chart preparation for the train.For train starting up to 12 noon the chart preparation is usually done on the previous night. He can log on to www.irctc.co.in and go to "Booked Tickets" link and select the ticket to be cancelled and can initiate the cancellation by selecting the passengers to be cancelled. Cancellation would be confirmed online and the refund would be credited back to the account used for booking as for normal Internet tickets. If there is any partial cancellation of ticket, please ensure that a fresh e-reservation slip (Electronic Reservation Slip) is printed separately as done for the original ticket. To take you step by step and familiarize you with the procedure for canceling of e-tickets, please click HERECancellation of e-Tickets before chart preparation of the train: If a confirmed ticket is cancelled more than 48 hrs before the scheduled departure of the train, flat cancellation charges shall be deducted @ Rs.240/- for AC First Class/Executive Class, Rs.200/- for AC 2 Tier/First Class, Rs. 180 for AC 3 Tier/AC Chair car/ AC 3 Economy, Rs.120/- for Sleeper Class and Rs.60/- for Second Class. Cancellation charges are per passenger. If a confirmed ticket is cancelled within 48 hrs and up to 12 hours before the scheduled departure of the train, cancellation charges shall be 25% of the fare subject to the minimum flat rate mentioned in the above clause. Less than 12 hours and upto four hours before the scheduled departure of the train up to chart preparation which is earlier, 50% of the fare paid subject to the minimum cancellation charges. Note the Chart preparation time is the time for the chart preparation from the Train Originating Station or from the previous chart Preparation station.Cancellation of e-Tickets after the preparation of Reservation charts: For Normal User:- E-ticket cannot be cancelled after chart preparation. Users are requested to use the online TDR filing for such cases and track Status of the refund case through tracking service provided by IRCTC. TDR can be filed as per Railway rules.No refund of fare shall be admissible on the tickets having confirmed reservation in case the ticket is not cancelled or TDR not filed online upto four hours before the scheduled departure of the train.No refund of fare shall be admissible on RAC e-tickets in case the ticket is not cancelled or TDR not filed online upto thirty minutes before the scheduled departure of the train.In case, on a party e-ticket or a family e-ticket issued for travel of more than one passenger, some passengers have confirmed reservation and others are on RAC or waiting list, full refund of fare , less clerkage, shall be admissible for confirmed passengers also subject to the condition that the ticket shall be cancelled online or online TDR shall be filed for all the passengers upto thirty minutes before the scheduled departure of the train.You can download the Train Ticket PDF by using the procedure mentioned above. RELATED PDF FILES Today most of the people prefer E-ticket booking because it is handy and faster than the counter booking. IRCTC has announced that the confirmation SMS of E-ticket booking is itself a proof of ticket that passenger can show to the ticket inspector. But still, some people carry print outs of their tickets while travelling. In this page, we are going to mentioned step by step procedure to download E-ticket as PDF file from IRCTC.These steps will definitely useful for that person who wants to print their E-ticket which is issued by Indian railways. At the time booking, if you don't have a printer than don't worry, save a soft copy of your E-ticket to your computer and move this ticket on your pen drive. To save the E-ticket in the PDF form, follow following steps: Steps to download, save or print an E-Ticket as PDF file from the IRCTC 1 First of all download the PDF printer software on your desktop/laptop 2 Then install the software to add the PDF Printer 3 Install this software with a basic setting so that it will automatically add your printer with the name of BioPDF, to your control panel. 4 After booking your ticket successfully, click on the print option that is available on the left side corner of your system screen. 5 Then print your E-Ticket using the PDF Printer 6 When to select the print option, it will ask you to select printer 7 Select BioPDF option 8 Then click the Print Button. 9 Use PDF file to print, save or transfer your IRCTC E-ticket 10 You can transfer your ticket by pen drive, mail or any other media. It is very easy to download E-ticket in laptop or mobile phone only if you know proper procedure. It is your choice to print this ticket or not because if you can also show downloaded e-ticket to TT then it is also a valid proof of confirmed ticket. After so many efforts and schemes, still many people are unaware of the latest schemes and features of IRCTC, we always try to update Indian citizens about their rights in Indian railways so that they can use it very well. All the new schemes of IRCTC are revolutionary steps toward digital India scheme and it seems that soon Indian will become a digital country in which all work will perform through digitalization. Many new apps are launched for online payment in IRCTC not only for payment but also for inquiry. All these efforts of IRCTC are really appreciable and lighten the ray of hope in very Indian citizens that better days are coming soon in India by improving the economic growth of our nation. If you have found any difficulties while downloading your E-ticket then visit the official website of IRCTC. You can also write your query in a comment box, we will try to resolve your problem soon. Generally, you would have seen that the official IRCTC website lets you print your ticket after booking but there's no option to download ticket into your device. But, don't worry as in this article I'm going to guide you on how to download your IRCTC ticket in PDF format after booking. So, if you booked a ticket from home but don't have a printer, you can simply download it to your device and easily get the hard copy from any cyber cafe or from any friend's printer. Downloading your IRCTC ticket is not a difficult task. I assume you're logged in and already booked the ticket. Now, first of all, go to Booked Tickets History. Here, choose the ticket you would like to download and then click on the Print E-Ticket option. There will then be a popup, click on the Print option and then you'll see your ticket, and at the bottom, there will be another Print button, click on it once again. And finally, you'll see the following screen. Click on Change as shown in the below picture. Now choose Save as PDF in the next popup as your new destination for your ticket. As soon as you'll do so, the Print button will be replaced by the Save button. And you'll be able to save your ticket in form of a PDF file on your device. Isn't it simple? So, after downloading you can easily keep your ticket in the pen drive to take a printout from anywhere, also you can easily send your ticket via email, messenger, or WhatsApp to any friend for urgent printout in case you don't have a printer. Do share this post with your friends and relatives to help them download their IRCTC ticket in PDF after booking.
