## Little einsteins movie 2025

Our Huge Adventure (A Brand New Outfit & The Missing Invitation) is a 2025 Musical adventure feature-length movie from Walt Disney Pictures and The Baby Einstein Company. The film would later turn into the TV series Little Einsteins and the whole Feature Movie is split into two episodes at the end of Season 1. Summary[] Part 1: A Brand New Outfit[] The team find a caterpillar singing on a toadstool. Their friend goes to the tree of many colors with the other caterpillars on the truck to get a brand new outfit. Until the truck hits a bump, and throws Little Caterpillar off the Truck! Now, the team has to bring to the tree of many colors so he can get a brand new outfit! Part 2: The Missing Invitation[] The team, and their Butterfly see that their butterflies have an invitation party in Anganguéo, Mexico. Butterfly becomes sad because he did not get his invitation and three butterflies are teasing him. The mail carrier butterfly says that his invitation is in a mailbox, but in the wrong place. Now, the team has to go to four places to find his invitation on the mailbox: Niagara Fall in Ontario, Canada, The United Nations in New York City, New York, A Big Cave In Oklahoma, and a Field of cows around a barn near Houston, Texas. Information[] Mission 1: A Brand New Outfit[] In order to get to the Musical Tree of Many Colors of a brand new outfit, First: You must play the music notes to make its colors while entering the Musical Roller Coaster. Second: When Little Caterpillar feels hungry, the heroes are going to give him a lot of yellow leaves so that he can eat them all. Unfortunately, the wind blows everything and the Little Caterpillar lands into a trumpet from the Orchestra Ocean. Third: Help Quincy play his trumpet louder so the team can see Little Caterpillar, as Annie has to catch him from the art The Great Wave off Kanagawa! And Fourth: You have now entered the Musical Tree of Many Colors, Little Caterpillar now transforms into a beautiful butterfly! Mission 2: The Missing Invitation[] In order to find the lost invitation, First: You must enter the Musical Roller Coaster once again to find a path that sounds allegro as you have entered Niagara Falls in Canada. Unfortunately in the deep place of the waterfall, the mailbox is opened, but there's no invitation in it. Second: When entering New York City, you must go to the top of the Statue of Liberty to find the United Nations. And when entering the art of Young Woman in the Garden, they hear all butterfly leaders arguing and fighting! So the heroes have to sing the argument song, to make all butterfly leaders reunite with peace and love. Unfortunately, the second mailbox has no invitation either. Third: You must enter the Oklahoma Cave and on the inside, the art is made of Navajo Woven Art. You have to find a path that has the butterfly song and avoid all bats and spiders. And when the heroes are surprised, they see that there are 3 butterflies with invitations, who are teasing their butterfly, are in trouble and they need help for an apology! So when Quincy has to pull the web, help the others clap to the beat to distract the spider! And when they see more spiders and bats, they have to escape!! And pity, the third mailbox has no invitation either. Fourth: When entering the barn from Houston, Texas, there's a final mailbox and it has an invitation! But there are lots of cows blocking the way! So you've got to help Leo sing the moo song to let them pass and get the invitation! And fifth: When entering Anganguéo, Mexico, they are now welcome to the migration party and sing the Buggy Wuggy song! Art[] Arts for A Brand New Outfit[] Wheatfield with Cypresses by Vincent van Gogh The Great Wave off Kanagawa by Katsushika Hokusai Arts for The Missing Invitation[] Young Woman in the Garden by Claude Monet Navajo Woven Art Music[] Ode to Joy from the 9th Symphony in D Minor by Ludwig van Beethoven Post-Curtain Call Segment[] The Truck with caterpillars are singing. If this also came from the episode A Brand New Outfit. Phil Lord and Christopher Miller Phil Lord and Christopher Miller Phil Lord and Christopher Miller Walt Disney PicturesPixar Animation StudiosLord Miller Productions Walt Disney Studios Motion Pictures Little Einsteins: The Movie is a 2025 computer-animated adventure comedy science fiction film produced by Pixar Animation Studios with Lord Miller Productions and Curious Pictures for distribution by Walt Disney Pictures. The film is based on the Playhouse Disney series of the same name created by Eric Weiner and Douglas Wood and co-produced, written and directed by Phil Lord and Christopher Miller who directed De Blob (2024). The film follows the Little Einsteins on their biggest mission ever as they search for the legendary Music Core to destroy a malevolent cosmic entity from collapsing the multiverse. Jacob Tremblay, Mia Talerico, Miya Cech, Issac Ryan Brown, Nick Kroll, Sharlto Copley, Chris Pratt, Nicholas Hoult, Will Forte, Bill Hader, Dave Bautista, Nathan Fillion, Liam Neeson and John Ratzenberger provide their voices for the film's main characters. The film was released on June 11, 2025, and was a box office success, grossing \$2 billion on a budget of \$140 million. It was widely acclaimed, being praised for its visuals, animation, direction, humor, voice acting, story, themes, John Powell's musical score, action sequences and emotional weight. Recipient of several accolades, Little Einsteins: The Movie was chosen by the National Board of Review as the Best Animated Film of 2025. The film won the Academy Award for Best Animated Feature, Best Original Score and Best Original Song nominated for Best Sound and Best Adapted Screenplay and was the fourth animated film to be nominated for the Academy Award for Best Picture. It also won Best Animated Feature and Best Original Score at the BAFTA Awards, Golden Globe Awards, Critic's Choice Movie Awards, and Annie Awards. Plot[] Cast[] Jacob Tremblay as Leo, the leader of the Little Einsteins and Annie's older brother. Mia Talerico as Annie, Leo's younger sister. Miya Cech as June Huang Issac Ryan Brown as Quincy Nick Kroll as Rocket, the Little Einsteins' ship and a Duobulb. Sharlto Copley as Kreisaken, a horrific and malevolent cosmic entity who seeks to collapse all the multiverse after being imprisoned outside of reality for hundreds of thousands of years ago and re-imprisoned 20 years ago by Net. Nicholas Hoult as Net, a jellyfish-like alien known as a Kret who re-imprisoned Kreisaken 20 years ago and the narrator of the movie who helps guide the Little Einsteins to Recaantu. Will Forte as Larry, Net's joyous, annoying, and enthusiastic robotic companion. Kristen Bell as Kate, Leo and Annie's late mother. Bill Hader as Harry, Leo and Annie's dad. Dave Bautista as Berserker, a reptilian alien assassin hired by Kreisaken to kill the Little Einsteins. He is the secondary antagonist. Nathan Fillion as Marklaanious Duunlo, a Kreisaken clan member tasked with obtaining the formula for inter-dimensional travel from Rocket's brain. Liam Neeson as Kulgan, the leader of the Children of Kreisaken. John Ratzenberger as Mr. Krust, the crustacean-like owner of the Stardust Club on Proxima Centauri B. Lord and Miller as additional voices. Production[] Release[] The film was released on June 11, 2025. Music[] The film's score was composed by John Powell, making it the first film directed by Lord and Miller not to be composed by Mark Mothersbaugh. Additional music was composed by Batu Sener, Anthony Willis, Paul Mounsey, and Markus Siegel Jed Palmer, Vitalic, M83 and Underworld and conducted by Pete Anthony. Powell received numerous accolades for his score.
