Good leaders know that professional expertise isn't everything. You have to know how to use that expertise effectively, and you'll do that by having the most crucial leadership skills. But leadership skills are often neglected during training, in school, and even at work. Instead, the focus is almost entirely on basic professional skills, leaving essential leadership training far behind. Due to this lack of training, many managers fail to deal with their team in an ideal manner; as a result, they experience internal conflicts, a lack of team motivation, and mediocre communication on a daily basis. So where does a professional go to learn the leadership skills that really help move the needle? This book compiles the world's best 21st-century leadership tools to help you gain success and recognition as a leader, allowing you to take your leadership skills, and your career, to the next level. With his signature concise style, renown leadership trainer Wladislaw Jachtchenko reveals how you can master these 5 roles and become the ideal leader. Role 1 : The charismatic and...
