mentioned in Matthew 14:25 and is generally considered to be from 3:00 am to 6:00 am. These watches were divisions of the night that helped in organizing guard duties, prayer times, and other activities during biblical times. According to the Bible in Ecclesiastes 3:1, God has ordained seasons and whatever He does He does it in accordance with the
gates of time and seasons. The creator of the universe does not operate against the laws of nature. He works in cooperation with nature, and He knows when the gates of the universe will open and when they will close. Because gates are controlled by time, time is controlled by seasons and every season comes with a mandate. Besides, Acts 17:26 says
God has set up a time and a season for the rising of every nation, (People, group, tribe, tongue, and individual). 26And hath made of one blood all nations of their habitation; Acts 17:26This means that the most important thing in the life of a
believer is to be able to understand the gates of time and SEASON. Time is the most important thing here. Why? Because whatsoever the Lord has created, he has made it according to his own time on the calendar of its existence. This
includes mankind. On the day that each of us was born, God had already designed our calendar and days to count on the earth. In the same way, He has created the calendar of the universe with how they should operate according to His pre-appointed time for them. The missing treasure of the church today is for the people to understand how God has
designed the universe to work according to His own time, because when He created the universe, He knew how and when the heavens would open and close for specific activities and that is what is called the gates of time heavens would open and close for specific activities and that is what is called the universe, He knew how and when the heavens would open and close for specific activities and that is what is called the gates of time heavens would open and close for specific activities and that is what is called the universe, He knew how and when the heavens would open and close for specific activities and that is what is called the gates of time for each activity upon the earth. Understanding the gates of time heavens would open and close for specific activities and that is what is called the gates of time for each activity upon the earth. Understanding the gates of time for each activities and that is what is called the gates of time for each activities and that is what is called the gates of time for each activities and that is what is called the gates of time for each activities and that is what is called the gates of time for each activities and that is what is called the gates of time for each activities and that is what is called the gates of time for each activities and the gates of time for each activitie
particular day, time, and season. But Satan can put you at the wrong address at the right prayer but at the wrong time. At the Mount Carmel contest, Elijah knew the gate of heaven and he triumphed over the Baal gods.1 kings 18:36-end And it came to pass
at the time of the offering of the evening sacrifice, that Elijah the prophet came near, and said, LORD God of Abraham, Isaac, and that I have done all these things at thy word. Every hour you spend on the face of planet Earth was designed and commanded to
give you something that comes with a mandate from God. It was designed to open up and give you that which the universe should release to you within such a time and a season so that you can accomplish a certain task according to the will of God. In other words, every hour/moment has a purpose to serve in your life. According to your heavenly
calendar, the universe was commanded to release something in your life that you were designed to have within those moments. This is to the extent that even if you have not prayed for it, it will find you if you are in the right place at the right time. The reason why God introduced the four watches to Israel was that they could watch through the gates
of time. In Israel, they would always change guards and watchmen after every three hours of each watch and another would take over both spiritually and physically. Israel prayed four times in a day and four watches in the night. The first watch takes place at the 6:00 am gate of time. The second watch takes place at 9:00 am. Third watch at 12:00 am.

It is the preservation of the fruits of your life, especially the fruits of your life, especially the fruits of the body. It also had to be after supper, since it was after the Passover feast. Automatically it had to be during this watch of the night between 9:00 pm and 12:00 midnight. In Acts 23:23 we see
Paul enjoying favor from the captain of the spirit of grace and supplication. It is the time to pray for the spirit of grace, prayer, and supplication (Matt. 26:33). betrayer is at hand. This period is the time to pray for strength against all temptations and trials. Pray for divine protection. (Psalm 3:1-7; 17:8-14, Acts 23:23; Zech. 1:10). This is also the period to pray and ask for the release of the troops of God to be on patrol and give angelic escort (Zech. 1:10, Acts 23:23). Acts 23:23, the same army general that had

is why even in Hollywood this is the time they show all the bad films to make provision for you being affected in the next watch. Pray for provision to do Gods work (Exo. 11:3-4). 68; Acts 16:25; 27:25-44; Exodus 12:29, 12-14A SPECIAL TIME FOR DIVINE GOVERNMENTS OVERRULING HUMAN DECREESThis watch is a time for spiritual warfare! This is when the deep sleep falls upon men according to Acts 20:7-12. Remember, according to Mathew 13:25, while men slept the enemy went to sow tares. This is, therefore, a
period of heightened satanic activities. The devil operates at this time because this is the time that men are asleep and there are not many people praying to oppose him. (Mathew 13:24; 1 Kings 3:20). This watch is the time that men are asleep and there are not many people praying at this time!!! The story is different during the month of Ramadan when every Muslim is
encouraged to pray the Tahajjud. It is also the time for slaying; When the destroying angel goes through the camp, neighborhood, community, city, or nation (Exodus 12:29 compared to 2 Kings 19:35). A time to declare Psalm 91:5, 6 for divine protection for yourself, your family, church, city, and nation. This period is also the time that rapists increase
their activity according to Judges 19. The Levites concubine was raped about this period and was only left to go before dawn, so pray and silence them (Judges 19:25). Time of release from every prison (Isaiah 42:22; Judges 16:3; Acts 16:25; Psalm 18:27-28; 2 Kings 19:35). This is also the time people are generally released. According to the scriptures,
God released the people of Israel to leave Egypt at this time. It was midnight that Samson according to Judges 16:3-4 carried the gates of the city and went out. A time when the wicked are wiped out. Pray also for a greater level of concentration (Mark 1:35; Isaiah 17:14). This is the time for an angelic intervention. A time that you can employ the land
to fight for you. A time to rule among your enemies, and a time of freedom for His Bride. (Exodus 12:29; Judges 19:25), so it is time to pray for their marriage partners. For those of you who are not married, this is a good time to pray for marriages, so you can also get married. For those
who are married too, this is probably the best time to pray for your marriage. According to Mathew 25:6, it was at midnight that he noticed that a woman was sleeping there. This is also the time for marriage. Pray to God to show you things to
make your marriage a happy one (Ruth 3:1-10). Pray for the discovery of new and beautiful things in your case in prayer.
(Mark 13:35; Luke 11:5-13; Acts 16:25-34; 20:7-12). It is the period to pray for every emergency provision God has made for you to be released (Luke 11:5-13; Acts 16:3). It is also time for most dreams (Job 4:13-14). Time for miracles or covenants. Time to apply the blood of Jesus! This is the time to wake out of sleep and confront every storm of
destruction and distraction. Also, it is the time to speak peace and calm in every situation of turbulence and confusion. Time of spiritual warfare! (Isaiah 58:8, 8:19-22, 62:1-12; Rev. 22:76; Psalm 18:28; Job 3:9) YOUR WILL BE DONE ON EARTH AS IT IS IN HEAVEN (Mark 1:35; Gen. 19:15, 32:25-27; Job 38:12-13 compared to Isaiah 17:14; 1 Sam.
11:11). The significance of this watch can be seen in Mark 1:35, where we saw Jesus rising a great while before day and finding a solitary place to pray. This is a special time for divine judgments. This watch is always important because this is the last lap of the night race. This was when Israel was released from Egypt. This watch is the time that
those satanic agents who went out to perform their activities are returning to their bases. This is the time to release judgment on the wicked, which remains stiff-necked after many warnings and rebukes in line with Proverbs 29:1. This is the time every enemy
chariot would have its wheels removed (Exodus 14:24-28) and all their plans, programs, and policies would fail. This is the period to release the manifestation of the full intensity of the day spring shaking out the wicked. (Job 38:12, 13 and Isaiah 17:14 proclaiming before morning). Though some scholars believe the day spring falls between midnight
stretching up to 6:00 am, the full impact of its intensity is felt in the final watch of this period (3:00 6:00 am) when it begins to shake everything out. This explains why the agents of the kingdom of darkness: those linked with Satan, heighten their activities, especially between the hours of 12 midnight and 3:00 am, knowing that by the next watch
(3:00 am 6:00 am), they will have to cease their activities lest they are caught by the full intensity of the day spring. Testimonies of former witches converted to Christianity attest to this. They tell of the experiences of when they wouldn't spring. Testimonies of former witches converted to Christianity attest to this. They tell of the experiences of when they wouldn't spring.
have been able to. This is because they would have been shaken out by the day spring in line with Job 38:13 quoted above. It must be because no spirit is supposed to remain in this state come daybreak, wesee this demonstrated by Jacobs encounter with the Angel of the Lord in Gen. 32:24-30. It is also the time for deliverance, to rise and shine for
resurrection. This is time for deliverance according to Exodus 12 and 14. This is also the time Jesus came walking on the water to release the disciples from the storms according to Mathew 14:25. It is also a time to ask the new day to speak into your life according to Exodus 12 and 14. This is also the time for resurrection.
power. At this time, we have to pray that everything that has died in the body of Christ, in terms of potential, should be released. This is the time to rise and begin to shine, that is why, immediately after this watch the sun rises, and
shines (Psalm18:28). The Lord would light the candle of the body of Christ, He would enlighten our darkness, and our morning star would no more be dark. This is the time the stone in front of the tomb of Jesus was rolled away. So every reproach must be rolled away. God says He has a covenant with the day and with the night. Time for
deliverance!Acts 2:15; Proverbs 4:16THE OUTPOURING OF THE HOLY GHOST.Acts 2:4, 17, 18. The beginning of sunrise. Time of declaration and utterances. (Acts 2:15; Psalm 2:7-9). The spiritual significance of sunrise is having Jesus Christ the King of
kings and the Lord of Lord rise over us. Instruct the sun that, as it rises over people, it should accurately represent Jesus Christ the sun of righteousness, and bring healing for the sun of righteousness would rise with healing in His
wings. There shall be healing in your prayer life, health, relationships, family, government, economy, etc. This is also the time for the outpouring of the Holy Spirit for equipping for service and for your light to shine this day (2 Cor. 9:3; Acts 1:8; Isaiah 60:1-22; Matt.5:16). It was between 6:00 am and 9:00 am that the Holy Spirit came, so you would
have noticed that it was after that people said; They were drunk and Peter said, we are not drunk because it is just 9:00 and 9:00 am. God gives the
necessary equipment. As you step out, ask God for equipment for the day, Give us this day. Time for healing!1Kings 18, 8:56; Joshua 23:14; Matt. 20:3; Acts 2:15.FOR A CRUCIFIED LIFE. Matt. 20:2-3. If you have not started working by this time you will be considered idle. Jesus being busy with something doesnt give any assurance of any accomplishments. There is the need to identify Gods purpose for each moment of your life and pursue it. Otherwise, you could find yourself wasting effort and energy like the prophets of Baal in 1
Kings 18:26-29, who after six (6) hours of calling on their god was worse off than when they started bleeding and exhausted! By 9:00 am, you should start fulfilling the purpose for which you came to earth. Time for harvest. (Acts 2:41) Time of promises. This is the time to expect the manifestation of Gods promises for your life as in the case of David in 2
Samuel 7:25-29. A time to appropriate the promises for cleansing, for a new heart, a willingness to work, for increase and fruitfulness as contained in Ezekiel 36:25-38. Time to appropriate the benefits of the cross (healing, prosperity, forgiveness, strength, etc.). Jesus was crucified at the third hour (Mark 15:25, Mathew 27:45). After having
been on the cross for three hours, darkness came upon the face of the earth at noon, and then at 3:00 pm, the period of darkness ended. Did you notice that even God worked according to the watches of the crucifixion, let us ask God to help us manifest all the values of
a crucified life by mortifying the deeds of our flesh as stated in Romans 8:12-15. This is the time to put off the old man and put on the Lord Jesus Christ (Colossians 3:2-11). This is the time to put off the old man and put on the Lord Jesus Christ (Colossians 3:2-11).

of relationships. Let this power of love and unity (in one accord) produce the same effect of people asking, How come we all hear them speaking in our own language? Pray for the healing of spiritual diseases. This is also the time for the harvest for prayers prayed at dawn. Take off the old man! John 4:6; Mathew 27:45; Acts 26:13; Jeremiah 15:8, Job

power, and triumphant glory. Time to remove limiting factors. This time is an hour of revelation, an hour of removing veils (Luke 23:45-46), an hour of triumph. This is the time to die to the world (self). This time is also the time of seeking the Lord in truth. This is the hour of the
establishment of the kingdom, why? Righteousness and justice are the foundation of His throne. This is the time when Jesus gave up the ghost. Jesus went through six hours of suffering for the deliverance of humankind and the universe. Pray for deliverance during this watch. It is also the time for the miraculous and
angelic visitation (Zech. 1:10-11, 18-21). This is also the time of the evening sacrifice. It was at this time that Elijah called forth fire from heaven to consume the prophets of Baal on Mount Carmel (1 Kings 18:29, 30, 36-39). Prayer WatchesPrayer is important in the life of a believer. In fact, Jesus was clear about it when he said men ought to pray and not to faint. More so, it is important to know that the bible mentioned some prayer watch hours, especially according to the Hebrew prayer watches, which are a kind of classification of time of the day. Generally, the time of
the day is classified into morning, afternoon and night; but in Hebrew, there are eight classifications, which are the first watch hour to the 8th prayer watch hour to the significance of these prayer watch hours in the bible, so, lets get down to discussing
each of them in detail. street. (Lamentations 2:19 KJV)Basically, a watch as described in the Bible refers to a specific time or moment of the day. We all have 24 hours in a day which can be divided equally into 8 prayer watches. Mind you
it is important to quickly mention, that according to Hebrew custome, each day begins in the evening, not in the morning, as we have it to be in the western world. Therefore, the first prayer watch is from 6 am to 9 am; the sixth
from 9 am to 12 pm; the seventh from 12 pm to 3 pm and the final watch of these periods to pray and effect the needed change in your life and
destiny. With that said, lets consider each of them. Significance Of Prayer Watches In The Bible #The First Prayer Watch as the time indicates begins at evening time (i.e. 6 pm). We can also say that it is the beginning of the night for at this time, almost everywhere, all work during the day must have ended and
people will either be resting or getting ready to retire to their various places of abode. This prayer watch is a time for meditation on what God has done for us throughout the day after which we thank Him for seeing us through that day. Also, it is the time to meditate on the Word of God Joshua 1:8 KJV This book of the law shall not depart out of thy
mouth, but thou shalt meditate therein day and night. Of course, we would have to spend time relaxing with family, however, we can always spare some time to give to prayers and meditation on Gods word at this time of the day. More so, it is a time for us to renew our covenant with Him as the busyness of the days activities might have made us lose
sight of Him. Furthermore, the Scriptures tells us more about this time of the day in Mark 1:32, 34 KJV which says that: And he healed many that were possessed with devils. And he healed many that were diseases, and cast out many devils; and suffered not the devils
to speak, because they knew him. The main emphasis in this verse is at even, when the sun did set, pointing to the period in which Jesus performed a lot of miracles in the lives of people. Therefore, we can take advantage of this watch and use it judiciously as a time to wrought exploits for the kingdom of God. On the other hand, we can also seek Gods
intervention in grey areas of our lives.#The Second Prayer Watch 9 pm to 12 amDuring this watch, night has come and it is characterized by deep darkness in the natural.In the spiritual realm, this is the time when forces of darkness gear themselves up to wreak havoc by midnight. If evil persons can do this, how much more is the believer? We should
thus take advantage of this time to ward off and destroy all the plans of the Wicked one that he might be planning against us. Intercessors cannot afford to be sleeping at this time, but must be alert to counter the tokens of the devil and his agents by praying against them vehemently. As a believer during this watch, you should pray for divine protection
over your family and all that pertains to you, because, at this time, the devil is not sleeping but rather on the move to ..steal, to kill and to destroy. Pray out Ps 68:1; 35:1-28. This second prayer watch ends at midnight and the Bible tells us that it was at midnight God executed judgement on the people of Egypt by killing all the firstborn of both man and
animals and bringing deliverance to His own. If you are going to experience deliverance and breakthrough, then you should pray at this time and see what God will do on your behalf. Lets look at the third prayer watch. Related Post: Prayer Points For Family Members #The Third Prayer Watch 12 am to 3 amThis watch of the night is a time of much

devil and his agents. We stand in the gap for our families, loved ones, brethren etc. The devil takes advantage of this time because it is during this time that most people are asleep and vulnerable to his attacks and onslaughts. This is seen through persistent nightmares, sexual dreams and all forms of demonic attacks. But, as believers, we cannot feign
ignorance because whether we like it or not, the devil is all out to devour. So, it is left for us to rise up to the challenge and wield the authority and power given to us in Christ and battle against the devil and treary areas of our lives. We can
pray to receive divine guidance and leading for our lives. Furthermore, we take the moment to speak the will and mind of God into our lives, families, business etc and cancel every other name, whether in heaven or on earth. Related Post:

into the temple at the hour of prayer, being the ninth hour. On the other hand, it was a time of visitation for the man at the gate called Beautiful. Believers should pray to receive (lest they miss) the visitation of God in peculiar areas of their lives that need divine intervention as in the case of the impotent man. In addition, this marks the beginning of the
last phase of the day. Generally speaking, work begins to draw to a close and as such, we should possess a deep sense of gratitude and appreciation in gratefulness for the victories God had won on our behalf during that day. been the same again ever since the time the first man God created fell till now. As a consequence of the fall, man has been brought under varying forms of limitations in almost every facet of life. Therefore, man has had a deep desire to be free from whatever
holds him down. Man has turned into several means to achieve this from both the wrong way and the right way from rituals involving sacrifices of various forms to all sorts just to have a breakthrough. This is through prayer. What then is prayer? You might
ask why ask this? The truth is that most people think they are praying when in fact, they are not. Also, people all over the world claim to pray and get results instantaneously. So lets address the question for proper understanding and
effectiveness in praying for a breakthrough, even in any of these prayer watch hours. Prayer is communication with God. Think of it, you speak with people now and then isnt it? How do you do such? Simple and easy right? Yes. Prayer is the same way but this time, with God Himself. For your prayer to be heard and answered by God, however, the issue
of sin must have been dealt with by being born again or converted. Why? The psalmist has said in verse 18 of the 66th chapter of Psalms that if I regard iniquity in my heart, the Lord will not hear me. In other words, sin hinders God from hearing us. Therefore, we must have been saved by the sacrifice of Jesus on the cross before God can hear
us. Furthermore, our prayers must be in the faith. We can keep praying from now till whenever but if there is no faith in Gods ability to give us a breakthrough, our breakthrough prayers cannot be answered. James made mention of it by saying, But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the
wind and tossed. People seek breakthrough for various areas and spheres of life from spiritual breakthrough to be released from the oppression and works of the devil to financial breakthrough from poverty and penury; academic or career breakthrough which involves breaking the yoke of failure and stagnation etc. What area of your life are you
looking up to God for divine intervention and breakthrough? I want to let you know that through Christ, your breakthrough is sure because He came to heal the brokenhearted, to set the captives free and to destroy all the works of the devil. in the Bible refers to a specific time or moment of the day. We all have 24 hours in a day which can be divided equally into 8 prayer watches. Mind you, it is important to quickly mention, that according to Hebrew
custome, each day begins in the evening, not in the evening, not in the evening, not in the morning, as we have it to be in the western world. Therefore, the first prayer watch is from 3 am to 3 am; the fifth from 6 am to 9 pm; the seventh from 12 pm to 3 pm and the
final watch of the day, from 3 pm to 6 pm. Each of these prayer watches in the bible has its spiritual significance as explained in the Scriptures and we are going to look at how, as a believer, you can take advantage of these periods to pray and effect the needed change in your life and destiny. With that said, lets consider each of them. Significance Of

We can also say that it is the beginning of the night for at this time, almost everywhere, all work during the day must have ended and people will either be resting or getting ready to retire to their
various places of abode. This prayer watch is a time for meditate on the Word of God Joshua 1:8 KJV This book of the law shall not depart out of thy mouth, but thou shalt meditate therein day and night. Of course,

time of the day in Mark 1:32, 34 KJV which says that:And at even, when the sun did set, they brought unto him all that were diseased, and them that were diseased, and the diseased diseased diseased diseased.
is at even, when the sun did set, pointing to the period in which Jesus performed a lot of miracles in the lives of people. Therefore, we can take advantage of this watch and use it judiciously as a time to wrought exploits for the kingdom of God. On the other hand, we can also seek Gods intervention in grey areas of our lives. #The Second Prayer Watch
9 pm to 12 amDuring this watch, night has come and it is characterized by deep darkness in the natural. In the spiritual realm, this is the time when forces of darkness up to wreak havoc by midnight. If evil persons can do this, how much more is the believer? We should thus take advantage of this time to ward off and destroy all the
plans of the Wicked one that he might be planning against us. Intercessors cannot afford to be sleeping at this time, but must be alert to counter the tokens of the devil and his agents by praying against them vehemently. As a believer during this watch, you should pray for divine protection over your family and all that pertains to you, because, at this
time, the devil is not sleeping but rather on the move to ... steal, to kill and to destroy. Pray out Ps 68:1; 35:1-28. This second prayer watch ends at midnight and the firstborn of both man and animals and bringing deliverance to His own. If you are
going to experience deliverance and breakthrough, then you should pray at this time and see what God will do on your behalf. Lets look at the third prayer Watch 12 am to 3 amThis watch of the night is a time of much spiritual activity and where forces of darkness are on the
rampage to devour and destroy the unguarded. This is the time when evil men begin their incantations and destructive works to oppress men and put them in bondage. But as believers, we must never be afraid of them because we have been given authority and dominion over all principalities and powers. Moreover, Gods word tells us that ...were sitted
with Christ Jesus in heavenly places far above all principalities and powers.. and so based on our exalted position in Jesus Christ, we can effectively war and prevail against the devil and his agents. We stand in the gap for our families,
loved ones, brethren etc. The devil takes advantage of this time because it is during this time because whether we like it or not, the devil is all
out to devour. So, it is left for us to rise up to the challenge and wield the authority and power given to us in Christ and battle against the devil and the forces of darkness. During this time also, it is a moment of seeking the help of God in seemingly dark and dreary areas of our lives. We can pray to receive divine guidance and leading for our
lives. Furthermore, we take the moment to speak the will and mind of God into our lives, families, business etc and cancel every contrary voice and token against us through the name of Jesus Christ, which is a name that is above every other name, whether in heaven or on earth.
