The moneysupermarket.com advert depicting "Strutters and Builders" is ugly, coarse crude. What started out as a very creative endeavour with the pole dancing builder quickly decended into an ugly display. Please end this awful advertising campaign. I will never use your comparison website until you do. This is good , quick and with no fuss. Saved money through Moneysupermarket.com for the second year consacutively. Really happy.quick and easy as well as saving me over 500Privilege! Ridiculous.Considering the company direct price - the same company on money supermarket was half price. I don't know why they rip off direct and not on money supermarket but I don't appreciate going direct ever again. It was a very quick and easy comparison site. I needed car insurance, pay for it and drive off in my car with 30 minutes. Excellent experience on Money supermarket! Quality every time , save me loads of moneyAn excellent site to go on. Very easy to fill in your information and easy to understand. I would always recommend. Very helpful. used to insure my 19 year old son so car. Answered all my questions quickly and gave me piece of mind that he has the right insuranceThere are no questions yet. Be the first to ask a question. Communication about new offerings and ways to make things easier is great. Site is very user friendly and easy to find what I'm/staff is looking for. For the size of our organization and GoCo being our first digital platform, we have not run into many issues. One thing I do wish we could have is the ability for our staff to clock in at one campus and clock out at a different campus (we have three separate campuses). To my knowledge we are not able to do this yet. Timekeeping is not flexible with budget categories not integrate with Quickbooks for payroll processing Benefits enrollment! We've received compliments on how easy it is to enroll each year in benefits. New hire onboarding. All information is sent to new hires and they can seamlessly enter their information and read of just one or unlimited. There isn't a place to store EEOC information. We have to report on this annually and the system should be sophisticated enough to store and requests are clunky. There is no way to store uploaded documents other than in a folder named "uploaded." I wish we could sort files how we want. Also, after we no longer need to retain I-9 documents, there should be a way to automatically delete them, or at least send us a reminder. Vacation and Sick time usage and balanceDetailed paystub informationQuick and accurate payroll/tax processed (prior to the deadline times) without having to contact a GoCo associate to pull the information back to us.
