You need to sign in to your Google Ads account by going to the Google Ads homepage and clicking the Sign in link at the top right of the page. Enter your Google account email address or alternate email address, and then enter your password. Click Next and follow the additional sign-in options if needed. You can also switch to another Google Ads account without signing out or access multiple accounts from the same Google account. You've already signed up for a Google Account: Follow the account recovery instructions in the top section for help. You have a Google Workspace visitor session linked to this email address. If you're invited to collaborate on Google Drive files as a visitor, with your email and a PIN, you'll need to delete this visitor session before your email address is used to sign up for a new account. Learn how to delete your visitor session. Post to the help community Get answers from community members You can let a friend or family member share and locate a device or accessory, like your car keys, that have a tracker tag. You can stop sharing devices at any time and remove devices and accessories from Find Hub if you no longer own them. Important: These steps only work on Android 9 and later. Learn how to check your Android version. For the shared owner's privacy, it takes several minutes to detect the location of the accessory or tracker tag after sharing is completed. You can share your accessory or tracker tag with up to 10 loved ones so you can all locate your valuables in the app. ###ARTICLEDon't worry about your Google Account!
