Visual enhancements to the 2023 Nissan Versa include a new front fascia, with an updated version of the brand's immediately recognizable V-motion grille, new Nissan brand logos inside and out, a new 17-inch alloy wheel design for Versa SR and a striking new Gray Sky Pearl paint color (available, SV and SR only). Versa features the most standard safety technology in its class, with multiple available Nissan Safety Shield 360 features. Standard safety features on every grade include Automatic Emergency Braking with Pedestrian Detection, Lane Departure Warning, Rear Automatic Braking and High Beam Assist. Available safety technologies include Blind Spot Warning and Rear Cross Traffic Alert. The best-selling vehicle in its class, Versa has claimed numerous awards, including "Best in Class" in the J.D. Power 2022 U.S. Automotive Performance, Execution and Layout (APEAL) Study and a U.S. News & World Report's "2022 Best Subcompact Car for the Money". The 2023 Nissan Versa goes on sale in fall 2022, with a choice of S, SV and SR grades. More features on all gradesAdditional enhancements for the 2023 Nissan Versa raise the bar on the level of convenience and connectivity features expected in a compact car, with available 17-inch alloy wheels, wireless phone charging and NissanConnect Services telematics, all making Versa a standout offering in the marketplace. Versa's interior offers seating for five and ample space for friends or family on board. Versa boasts best-in-class front legroom and headroom, and its generous trunk offers up to 15.0 cubic feet of storage. A wider trunk opening and a 60/40 split-folding rear seat (optional on S, standard on SV and SR) help accommodate bulkier items. Three grade levels are tailored to customers' needs. Versa S offers peace of mind with standard safety features including Automatic Emergency Braking and Lane Departure Warning, plus a 7-inch touchscreen with four-speaker audio system, three USB ports and remote keyless entry. A new S Plus package brings even greater value with the inclusion of Apple CarPlay and Android Auto connectivity, 16-inch alloy wheels and a 60/40 split-folding rear seat. Versa SV features 16-inch alloy wheels, automatic on/off headlights, a 7-inch Advanced Drive-Assist Display, body-color door handles, mirrors, class-exclusive Blind Spot Warning, Rear Cross Traffic Alert, 60/40 folding rear seat and push-button start. New for 2023, the SV adds a center console with armrest, a wireless phone charging pad and a Chambery interior color. Versa SR adds several sport-inspired interior and exterior design elements, along with black painted exterior mirrors, a leather-wrapped steering wheel, 17-inch alloy wheels, heated front seats, a six-speaker audio system and remote engine start. For 2023, the SR adds a center console with armrest, an 8-inch touchscreen, Intelligent Cruise Control, automatic climate control, a Wi-Fi hotspot and NissanConnect Services, which includes the ability to control select vehicle features from compatible smartphone or smart watch apps. Easy and economical to ownAll Versa models feature a standard 122-horsepower 1.6-liter DOHC 4-cylinder engine, paired with a 5-speed manual transmission (S only) or a smooth Xtronic CVT transmission (optional on S, standard on SV and SR). Fuel economy is rated up to 32 mpg city, 40 mpg highway and 35 mpg for Xtronic CVT models. Share copy and redistribute the material in any medium or format for any purpose, even commercially. The 2023 Nissan Versa is an affordable little cruiser and a good option if you are not sold on a crossover. The Versa sedan received a Best in Class award in J.D. Powers2022 APEAL Study, which gauges how owners feel about their new vehicle after three months. Participants are asked about their experience with things like the interior, fuel economy, and safety. The Versa comes in three simplified trim levels for 2023: S, SV, and SR. Here is a quick overview. The 2023 Versa receives a handful of styling enhancements, including a new front fascia and updated Nissan logos. SR models have a new 17-inch alloy wheel design and the option for a new Gray Sky Pearl exterior color (the paint color is available for the SV trim level too). 2023 Nissan Versa. Photo: Nissan North America. Under the hood of the 2023 Nissan Versa is a 1.6-liter four-cylinder with 122 horsepower and 114 lb-ft. of torque. The naturally-aspirated engine uses Nissans Continuously Variable Valve Timing Control System to help maintain a balance of power and efficiency. All Versa models are front-wheel drive (all-wheel drive is not available). Traction control is standard across the lineup. Attached to the engine is Nissans Xtronic CVT automatic transmission. A manual is available for the base S trim level, but fuel economy takes a hit. Combined EPA estimated fuel economy for the manual is 30 mpg, versus 35 mpg for the CVT automatic. The Versas fuel tank is 10.8 gallons. The 2023 Nissan Versa is standard with cruise control, power windows and locks, keyless entry (including the trunk), illuminated entry, front door pockets, bottle holders, drivers footrest, a 12-volt power outlet, USB and auxiliary ports, and Bluetooth capability for phone and audio streaming. The higher SR trim level is standard with Intelligent Cruise Control, push-button start, and an eight-inch color touchscreen. Front headroom and legroom are 39.5 inches and 44.5 inches, respectively. Second-row headroom is 36.3 inches, while second-row legroom is 31 inches. The Versas trunk offers 15 cubic feet of storage space. Standard for the SV and SR is a 60/40 split-folding rear seat (optional for S models). 2023 Nissan Versa interior layout. Photo: Nissan North America. The Nissan Versa received a five-star overall safety ratingfrom NHTSA for the 2023 model year and a Good ratingfrom the IIHS. Every Versa is equipped with front and side-impact airbags, front and rear crumple zones, an energy-absorbing steering column, hood buckling creases, and side-door guard beams. These items combine to absorb and deflect crash energy away from occupants. Likewise, every Versa is standard with rear-door child safety locks, the LATCH system (Lower Anchors and Tethers for Children), and an emergency inside trunk release. The Versa comes in three simplified trim levels: S, SV, and SR. Each MSRP figure below already includes the \$1,095 destination charge. Ourfree and easy search tools* will help you land the best deal on a 2023 Versa. Likewise, if you have questions about new vehicle financing, thisauto loans 101 guidewill point you in the right direction. The entry-level S comes with a seven-inch touchscreen, four-speaker audio system, Automatic Emergency Braking, and Lane Departure Warning. The S Plus package (\$1,190) adds Apple CarPlay, Android Auto, 60/40 split-folding rear seat, and 16-inch wheels. Starting MSRP for the S is \$16,825 (manual transmission) or \$18,496 (automatic). The mid-tier SV is standard with 16-inch alloy wheels, automatic headlights, body-color door handles and mirrors, push-button start, SiriusXM, a wireless charging pad, Blind Spot Warning, and Rear Cross Traffic Alert. Starting MSRP is \$20,115. The SR has everything from the S and SV, adding a remote start, 17-inch alloy wheels, leather-wrapped steering wheel, eight-inch touchscreen, automatic climate control, heated front seats, and a six-speaker audio system. SR models also receive Intelligent Cruise Control, a Wi-Fi hotspot, and NissanConnect services, allowing owners to control select features from compatible smartphones or smartwatches. Starting MSRP is \$20,815. The 2023 Nissan Versa has a three-year/36,000-mile bumper-to-bumper warranty and a five-year limited powertrain warranty. Different options to extend the warrantyon any Nissan vehicle are available, including the Versa.
